JB

PORTFOLIO

Experienced video editor with over 10 years of experience in the film and television industry. I have worked in both scripted and unscripted settings, as well as on a variety of projects ranging from short films to feature-length movies. I am able to create a compelling narrative that is engaging and accessible, while also paying attention to detail and ensuring that all information is conveyed effectively.

EDUCATION

B.S. Computer Science, Animation Technical Track

School of Engineering

📅 2007 - 2012

- Minor: Fine Arts, Photography and Digital Media

EXPERIENCE

Associate Producer, Writer and Videography Expert

Blanchette

📅 2016 - Present 📍 Miami, FL

Coordinated film schedule with cast and crew and worked with post-production tasks such as reviewing footage, making editorial decisions, tape logging, rough cuts, audio adjustment, colour correction and final editing.

- Spearheaded writing, production and shooting for television show "NAME".
- Implemented creative and unique shots for special events/occasions.
- Wrote, directed, shot and edited all videos in a timely manner while also meeting all creative requests, ensuring project schedule deadlines and low budget.

Video Editor

Thompson Ltd

📅 2012 - 2016 📍 Miami, FL

Worked with Director to assemble raw images, footage, script into a finished product, for social media market.

- Advised as Video Consultant for direction on scripts, stories for video production, reducing budgets, improving production pipelines and team communication.
- Improved Facebook video viewership by 500%, adjusting content to relevant marketing standards.
- Provided as talent for advertising, reducing budget spending for hired talent.

Entry-Level Video Producer

Herman LLC

📅 2008 - 2012 📍 Miami, FL

- Wrote, edited and produced "The Black Rundown": weekly video stories for the web.
- Designed visual effects for post-production (Photoshop, After Effects, Premiere Pro) to form a logical, impactful storyline in final output.
- Utilised social media (Facebook, Twitter, Instagram, Hootsuite) for community outreach with followers daily.
- Oversaw video package creation, including authoring script, editorial, footage-gathering, trimming footage, and creating audio and visual effects for final output in start-up television streaming network.
